Villages of Hope Celebrates Progress Toward Building a Future for Human Trafficking Survivors

Jacksonville, FL – November 1, 2024 – Villages of Hope is pleased to announce that we are moving closer to completing our housing community for survivors of human trafficking in Jacksonville, Florida. Over the past year, we have made substantial progress, and we invite the community to join us in celebrating these advancements at our upcoming Light Her Way celebration on November 7, 2024.

At the celebration, we will provide updates on the challenge grant awarded by the Delores Barr Weaver Legacy Fund, which has been instrumental in supporting our efforts. We are also honored to welcome Dr. Trayce Polson, Director of Strategic Partnerships with the City of Jacksonville, as our keynote speaker, who will discuss the city's ongoing initiatives to support human trafficking survivors.

Join us for this year's Light Her Way, sponsored by GreenPointe Holdings, LLC, as we gather for an evening under the stars at Bowing Oaks in Jacksonville! Delight in appetizers, bourbon tasting, wine, beer, and refreshing drinks, all while enjoying live music by the bonfire. Guests will also have the chance to participate in an exciting Silent Auction, Raffle, and Wine Pull, with every dollar raised going directly toward the life-changing mission of providing safe, secure housing for survivors of human trafficking.
